Message of the Hon'ble Governor of Andhra Pradesh
Sri Biswa Bhusan Harichandan,
on the occasion of 73rd Martyrs' Day
at 10.50 AM on 30th January 2021

Today, people across the country pay Homage and tributes to Father of the Nation, Mahatma Gandhi, on the occasion of his 73rd death anniversary, which is observed as National Martyrs' Day, as a mark of respect for the great leader of our country's freedom struggle and in memory of all those who sacrificed their lives during the struggle for India's freedom.

Mahatma Gandhi played a prominent role in leading the country towards independence by fighting the British through non-violence and peaceful methods. Gandhiji's non-violent resistance shook the very foundation of British empire and for the first time, the British rulers witnessed a silent opposition of an entire people to a mighty Government.

Gandhiji was a great leader in our country's freedom movement, who taught the lesson of non-violence and worked hard on building unity and integration of the nation, which was divided by the British rulers. Gandhiji devoted his entire life to foster harmony, peace, brotherhood and peaceful co-existence of the people of the country.

Mahatma Gandhi always remains as a symbol of non-violence and his unique methods of Satyagraha are recognised universally as a form of peaceful resistance to achieve genuine demands.

Gandhiji played a crucial role in the unification of the country through his leadership during the Civil Disobedience Movement, by awakening the masses and the common man.

Mahatma Gandhi's role in our country's freedom movement was unparalleled and his contribution to the country's freedom struggle was extraordinary and exemplary.

As Albert Einstein once said about Mahatma Gandhi:

"Generations to come will scarce believe that such a one as this ever in flesh and blood walked upon this earth."

Gandhiji will always remain as an immortal being for many generations to come.
