### AP Governor launches Raj Bhavan website

Vijayawada, December 23: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan launched the newly developed website for AP Raj Bhavan at Raj Bhavan on Monday. Sri Mukesh Kumar Meena, Secretary to Governor, explained to the Governor about the people-friendly and easy to navigate features of the website, which was fully developed in-house. Sri Meena explained to the Governor that the website has features such as e-Visitor, where a visitor intending to meet the Governor, can upload data on line and necessary confirmation will be sent to him, after scrutiny by the office. Similarly, requests for e-Message and can be uploaded online as well as submission of grievance through e-Grievance etc. Apart from these, the web site also has features such as Events page, Photo Gallery, Press Releases etc. which will be updated on a day to day basis and accessible to the general public.

Governor Sri Harichandan appreciated the in-house team effort and directed that the information on the website be updated on a regular basis. Sri Arjuna Rao, Joint Secretary to Governor, other officers and staff members of Raj Bhavan were present on the occasion. The website can be accessed at <http://governor.ap.gov.in>
