Press Note:

AP Governor greets ISRO scientists

Vijayawada, January 17: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan congratulated Sri K. Sivan, Chairman and the team of Scientists at the Indian Space Research Organisation for the successful launch and placing in the Geosynchronous Transfer Orbit of 'GSAT 30' India's Communications satellite, on board Ariane-5 launch vehicle from Kourou launch base in French Guiana on Friday. The Governor said with this launch mission, ISRO has achieved yet another milestone in the country's space history and the nation is proud of their achievement.
