Press Note:

Make students part of corona awareness campaign: Governor tells Chairman of APSCHE

Vijayawada, March 28: Hon Governor Biswa Bushan Harichandan said students should play a key role in bringing awareness among people on community distancing to prevent the spread of corona virus. He said students can bring awareness among lakhs of people. The Governor said students should maintain community distancing among themselves and at the same time bring awareness among their family members and other sections of society to prevent spread of corona virus. Governor Sri Harichandan held a review meeting with the Chairman of AP State Council of Higher Education Prof. Hemachandra Reddy and other officials at Raj Bhavan on Saturday. The Governor said university authorities should convey the message to students through e-mail asking them to follow the precautions to prevent spread of corona virus. The Governor enquired with the officials over the situation in various universities in the state.

The Governor opined that with the active participation of students in the social distancing awareness programme, the message can be effectively communicated to lakhs of people. He said the universities should make the basic infrastructure at the universities available to administration in the present hour of crisis and extend cooperation to the govt. He said that he would convene a video conference with the vice-chancellors soon to discuss on this issue.

Secretary to Governor Sri Mukesh Kumar Meena and others were also present in the meeting.
