Press Note:

Lighting of lamps is a reflection of unity of the people in the fight against corona virus: AP Governor

Governor Sri Biswa Bhusan Harichandan and Lady Governor Smt. Suprava Harichandan participated in the event of lighting of lamps at Raj Bhavan

Governor thanked the people of the state for participating in the event in response to PM's appeal

Vijayawada, April 05: Lighting of lamps is a reflection of the unity and determination of the people to rid the country of the dreaded corona virus, said Andhra Pradesh Governor Sri Biswa Bhusan Harichandan, while participating in the event held at Raj Bhavan on Sunday in response to the call given by the PM Sri Narendra Modi. The Governor said with the lighting of lamps at 9 PM on Sunday, 5th April, for nine minutes by all the people across the country, it is certain to win the fight against the dreaded COVID-19 disease. He said he is happy to note that people across the state have participated as one in the event of lighting of lamps and displayed the unity and determination against the dreaded corona virus. The Governor thanked the people of Andhra Pradesh for their overwhelming response and participation in the event of lighting of lamps in response to the call given by the PM.

Lady Governor Smt. Suprava Harichandan also participated in the event of lighting of lamps along with the Governor. Sri Mukesh Kumar Meena, Secretary to Governor, other officials and personal staff, security staff of Raj Bhavan have participated in event of lighting of lamps in an expression of solidarity and unity in the fight against corona virus, in response to the call given by PM Sri Narendra Modi.
