AP Governor expresses deep sorrow at the fire accident in Srisailam Power House

Vijayawada, August 21: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan expressed deep sorrow and anguish at the major fire accident which occurred in the underground hydel power house at the Srisailam Project on Thursday night due to a short circuit in which six employees were killed and 15 were rescued. Governor Sri Harichandan in a message expressed his grief on coming to know that six employees who were trapped inside the powerhouse lost their lives and could not be rescued. He said he prays for the early recovery of the 15 employees who were rescued and are being treated in a hospital. The Governor expressed his heartfelt condolences to members of the bereaved families.
