'Vasudhaiva Kutumbakam' - the solution to many problems faced by the world – AP Governor Biswa Bhusan Harichandan

Vijayawada, October 04: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan, participating as Chief Guest at the Valedictory session of the 6th Parliament of World Peace, Religion and Philosophy organised by MIT World Peace University at Pune on Sunday through video conference, said the solution to many problems faced by the humanity lies within the age-old Indian tradition of 'Vasudhaiva Kutumbakam' – the world is one family.

Parliament of World Peace, Religion and Philosophy, which is being held from October 2-4 this year, is organized every year at the Saint Dhyaneswara World Peace Dome at Loni Kalbhor, Pune, which is considered to be the largest dome in the world.

Speaking on the occasion, Governor Sri Harichandan said it is befitting that the organisers have chosen October 2, to organise the event, coinciding with 151st Birth Anniversary of Mahatma Gandhi. The Governor said Mahatma Gandhi is a guiding force for the entire nation and today's youth can learn and benefit immensely from his teachings as Gandhiji viewed youth as the agents of social transformation.

Governor Sri Harichandan said the COVID-19 pandemic has created difficult times for the entire humanity and posed a challenging situation for the world as the fight is being waged against an invisible enemy and the battle

can only be won when the whole world stands united to find an everlasting solution to end the menace.

Dr. Varsha Das, former Director of National Book Trust and National Gandhi Museum, Dr. Vishwanath D. Karad, Founder and Chief Patron, MIT Pune, President of MIT World Peace University Shri Rahul V. Karad, Managing Trustee & Executive President, MAEER's MIT and MIT World Peace University, Pune, have also participated in the programme.
