AP Governor expresses concern over number of people falling ill in Eluru

Vijayawada, December 06: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan has expressed concern over the incident in which number of people have fallen ill in Eluru city in West Godavari district on Saturday. Governor Sri Harichandan enquired with local administration on the condition of those admitted to the hospitals and directed the officials of medical and health department to take immediate measures and provide necessary medical care and treatment to the affected persons on expeditious basis.

Governor Sri Harichandan directed officials of the local administration and medical and health department to find out the reasons behind such large number of people suddenly falling ill and take the advice of experts on the issue and take immediate steps to resolve the issue and create awareness among people on the precautions to be followed to prevent such incidents from happening again.
