Governor Sri Biswa Bhusan Harichandan hails ISRO's successful launch of PSLV-C50

Vijayawada, December 17: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan hailed the Indian Space Research Organisation (ISRO) for successful launch of the PSLV C-50 from the Satish Dhawan Space Centre (SDSC) in Sriharikota and successfully placing the Indian communication satellite CMS-01 in geosynchronous transfer orbit on Thursday.

Governor Sri Harichandan said the second successful launch of the PSLV by ISRO scientists after Covid-19 lockdown period is an ample demonstration of their dedication and adds another feather to the cap of India's robust space programme.
