Governor Sri Biswa Bhusan Harichandan congratulates Isro for successful launch of PSLV-C51

Vijayawada, February 28: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan congratulated scientists of Indian Space Research Organisation (ISRO) for accomplishing the mission with

successful launch of the Polar Satellite Launch Vehicle-C51 (PSLV-C51) and placing 19 satellites including Amazonia-1 of Brazil in sun synchronous orbit. Governor Sri Harichandan hailed the scientists for the 53rd flight of PSLV C-51, the first commercial mission in 2021 and said the mission has added another feather in the cap of ISRO.
