Press Note:

All eligible persons should take Covid vaccine without delay – AP Governor Biswa Bhusan Harichandan

Vijayawada, March 31: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan and Lady Governor Smt. Suprava Harichandan have taken the second dose of Covid vaccine at Raj Bhavan on Wednesday. Speaking after taking the second dose of Covaxin vaccine, Governor Sri Biswa Bhusan Harichandan said he did not feel any pain or adverse effect like fever etc. after taking the vaccine and said it is safe and absolutely necessary to take the vaccine for the health of individuals, family members and the society to fight the menace of Covid. The Governor said it also necessary to follow Covid appropriate behavior and maintain social distance, always wear mask and other such measures.

Governor Sri Biswa Bhusan Harichandan said Andhra Pradesh government is taking all steps by testing, tracking, treatment and vaccination programmes as per Government of India guidelines and closely monitoring the Covid situation.

Smt. Jhansi, Nurse of the New Government Hospital administered vaccine to the Governor and the Lady Governor under the supervision of Krishna district DMHO Dr. M. Suhasini and her team of doctors, coordinated by Dr. Ramakant and Dr. Fahima, personal physicians of the Governor.
