"On this happy and auspicious occasion of "Ugadi", the Telugu New Year Day, I extend my heartiest felicitations and greetings to the people of Andhra Pradesh and to the Telugu people living all over the world.

"Ugadi" is a Festival of joy and happiness as the New Year brings with it new hope of a bright future for the people.

I hope that 'Sri Plava Nama Samvatsara Ugadi' will usher in peace, prosperity, harmony and happiness among all the people and all sections of the society."

"I sincerely appeal to the people to celebrate the Ugadi festival with your family members by staying at home. It is very important to follow the Covid appropriate behavior by maintaining social distance, wearing face masks, frequent hand wash using sanitiser etc. All eligible people should come forward and get vaccinated as the Covid vaccine is safe and as it is the only way to break the chain of the virus."
