RAJ BHAVAN

Press Note:

AP Governor not to celebrate birthday this year

Vijayawada, August 01: Andhra Pradesh Governor Sri Biswa Bhusan Harichandan, whose birthday falls on August 3, has decided not to celebrate his birthday this year too, due to the prevailing COVID-19 situation. Governor Sri Biswa Bhusan Harichandan has appealed to all concerned to not to come to Raj Bhavan to wish him on his Birthday.

The Governor appealed that all eligible people should get vaccinated as early as possible, as Covid-19 vaccine can be helpful in minimizing the risk and offers protection against the virus. As we are passing through the second wave, health experts are already warning about the occurrence of a third wave due to emergence of new variants and in these circumstances, it is mandatory to follow Covid-appropriate behavior by wearing mask, maintaining social distance, using hand sanitiser and prevent spread of Covid-19, said Governor Sri Harichandan. Those who have been vaccinated should also follow these guidelines to protect themselves and their family members, said the Governor.
