Message of Hon'ble Governor of Andhra Pradesh Sri Biswa Bhusan Harichandan on the occasion of Teacher's Day on September 5, 2021

"I convey my best wishes to the teaching fraternity in Andhra Pradesh on the occasion of Teacher's Day. The Birth Anniversary of Bharat Ratna Dr. Sarvepalli Radhakrishnan, on September 5, is celebrated as the Teacher's Day every year in honour of the great personality, who served the country as the first Vice President and the second President of India.

Bharat Ratna Dr. Radhakrishnan was an exemplary Academician, Scholar, Philosopher, Author and Statesman who stood for high ethical values in life.

Teachers are the architects of our society and they play an important role in the nation building. Without their contribution, no society can develop on a progressive path. Teachers guide us by imparting good values in life and devote their best efforts to mould the students into responsible citizens. Behind every successful person, a Teacher's contribution is significant and notable.

I appreciate the efforts of Teachers for fulfilling their academic responsibilities by conducting online digital classes, even in the face of the disruption caused by the Covid-19 pandemic."
